# GABRIEL LABRIAGA

Graphic Designer / Video Editor

## ABOUT ME

I'm a seasoned video editor and graphic designer with a solid six years of freelancing under different clients, small businesses, etc. I've honed my skills to not just enhance visuals but to elevate them into a powerful tool in boosting sales and attracting viewers. My track record is a testament to the quality work I deliver, and I'm always up for the challenge of turning creative visions into engaging and impactful realities. Let's collaborate and make your ideas shine!
